Bakewell Market

We intend to make every effort to keep the market running at Bakewell. Markets play a vital role in the food supply chain, ensuring that the right stock goes to the most appropriate abattoir and that there is an orderly re-supply of store cattle to the finishers.

At this time of National Emergency we are operating under extremely tight Defra LAA instructions. These change by the day, but the latest rules are set out below. Please keep consulting our website and Facebook page for updates.

The rules for Monday 27th April are expected to be as follows:-

Vendors (sellers) are still NOT permitted to enter the market.

We **can** accept Prime stock, Cull animals and Store Stock & Calves

PLEASE DO NOT BRING ANY breeding sheep, Ewes with lambs at foot, breeding Cattle or cows with calves at foot.

We will have a separate sale of Cows and Calves on Thursday 21st May 2020.

For further details please check our website.

You will be permitted to bring breeding ewes and ewes with lambs at foot on Thursday 30th April.

For all breeding stock please let us know what you are bringing before hand

Do not come to market if you suspect that you may have been exposed to infection, are feeling unwell or if you fall into any of the vulnerable categories. Please stay at home.

There is a “Drop & Go” System

- Animals must be delivered to the unloading docks (vendors must remain in their vehicles) whilst market staff unload the stock and collect the paperwork
- All paper work must be fully filled in, TB Test Dates, Any Reserves clearly stated etc Market Declarations can be printed off from our website
