

Registration Notes

Due to the changes made to the Money Laundering Regulations, we are now required by law to verify the identity and address of everyone who offers, bids or buys at our Bagshaws Property Auction.

Therefore, you will need to register before the auction starts if you are intending to bid!

We will need one proof of photo ID and one proof of residence. Failure to produce the correct ID will mean you will not be eligible to bid at the property auction.

How to Register

- In person at any of our offices, with your original paperwork, where we will verify the ID
- The post office can verify up to three forms of identification, there is however a charge for this service. For more information please see www.postoffice.co.uk/document-certification-service
- A professional body (Solicitor, accountant etc.) can also certify your ID and directly send it on your behalf to uttometer@bagshaws.com (these parties may charge for this service).
- Bring all the relevant documentation to the auction venue one hour before the commencement of the auction to register, free of charge.

If you are bidding on behalf of a company, you will also need to show a copy of the Certificate of Incorporation, a list of directors and a letter of authority on Company letterhead, signed by a company director, prior to signing the contract.
