## Bakewell Store Lamb Sales

Dating back to the 'Hartington' days Bakewell store lamb sales offer one of the finest selections of store lambs available anywhere in the country. The lambs, chiefly from the Peak District, are predominantly Continental and Suffolk crosses mainly out of Mule and Texel cross ewes.

The healthy upland area, much of it livestock country, produces lambs that are renowned to do well wherever they go. The vast majority of lambs come from within 25 miles of the market and as such are well suited to a longer journey from the sale to their destination.

## Bakewell Social Night Thursday 30th August\*

A pre-sale social gathering for sheep farmers and buyers on the eve of the first big Bakewell Store Lamb Sale. Come and join us at Bakewell for a Lamb Roast, Real Ale, Bakewell Tarts and Musical Entertainment in the form of Elvis impersonator Josh Whittall. A collection will be made with all proceeds being donated to the British Heart Foundation and the Alzheimer's Society.

Bagshaws are proud to be the official auctioneers of the High Peak Livestock Society - an organisation representing 635 local farmers.
