

**FARM SALE REPORT**  
**Wednesday 5<sup>th</sup> August 2020**  
**Oakhouse Farm, Smalldale, Buxton, SK17 8EA**  
**On behalf of J R Hadfield & Son**

Bagshaws report a highly successful dispersal sale at Oak House Farm, Smalldale, Nr Buxton held upon instructions from J R Hadfield & Son.

The sale was held strictly under social distancing rules with the majority of the lots sold with the Auctioneer moving between the rows on the back of a pick-up.

Sale goers had heeded the catalogue instructions that it was business rather than a social gathering.

Needless to say with the sale postponed from pre-lockdown there was plenty of buying power present or represented to ensure a tremendous trade for the tractors, machinery and livestock sundries with note able prices as follows:-
