FOREWORD

The sale arises as a result of a change in farming policy at Benbrook Farm with Andrew and Robert Moore going out of livestock to concentrate on their other farming and plant related businesses.

This includes two fully galvanised crushes, two calf crushes, calving pens, selection gates and hoops and in addition a very large range of heavy duty IAE stock yard gates and diagonal feed barriers will be sold in the sale.

Purchasers please note-the vendors will sell a Simmental Bull in the sale in aid of Air Ambulance.
